

Activity of «Transneft Service» (JSC) at port of Kozmino. Cargo forwarding service.

August 2018

Cargo forwarding service

«Transneft Service» (JSC) is subsidiary of «Transneft » (PJSC) and provide full scope of cargo forwarding service at port of Kozmino:

- Customs clearance of permission to load and export cargo;
- Preparation of a full set of cargo documents;
- Interaction with departments of the port and terminal.

Significant advantages of our company :

- over 10 years experience in cargo forwarding service;
- handling of more than 15 vessels per month;
- good business relations with the largest oil companies and traders;
- the activities of JSC "Transneft-Service" cover all stages of export of petroleum products, so we have the opportunity to provide more detailed information to customers about the progress of transport forwarding;
- Competitive rates, individual approach to each client;
- differentiated pricing policy of the company provides for discounts and bonuses for services on basis of confirmation of the declared volumes of transshipment .
